EDUCATION

Siena University — Loudonville, NY *GPA: 3.51*

B.S. in Computer Science (Cybersecurity Track) *Expected Graduation Date May 2027*

B.A. in Interdisciplinary Studies

- Curriculum custom-designed through the Student-Designed Interdisciplinary Major (SDIM) program, specializing in **User Experience Design**.

RELEVANT SKILLS

UX/UI Design • Figma • Wireframing & Prototyping • Cross-Functional Collaboration • Communication • Adobe Creative Suite • Photography • Print & Digital Design • HTML • CSS • Visual Studio Code

EXPERIENCE

UX/UI Designer - Client Web Redesigns *September 2025 – August 2026*

Siena Beverage Institute, Loudonville NY

- Redesigned websites for Meadowdale Winery and Serious Brewing Co., translating client goals and feedback into high-fidelity Figma mockups.
- Presented designs in client meetings and collaborated with a backend developer to refine layouts, content, and user experience.
- Created “knowledge transfer” handoff packages and applied WCAG accessibility guidelines, web design, and digital asset creation.

UX/UI Designer - SaintsSelect *June 2025 - August 2025*

Siena University & CURCA Summer Scholars, Loudonville, NY

- Expanded a classroom roommate-matching app concept into a full proposal for Siena students, earning approval from Student Life for development.
- Conducted 6 student interviews to identify pain points and inform design decisions, then designed and iterated a high-fidelity mobile prototype in Figma.
- Incorporated user feedback to improve usability and accessibility, then presented the final design to Siena’s full-year capstone software engineering team for full implementation.

INTERNSHIPS

Creative Content Student Producer Assistant *September 2025 – December 2025*

New York State Justice Center for The Protection of People with Special Needs, Delmar, NY

- Designed print and digital materials, including a brochure, advertisements, and digital assets, supporting agency communications and advertising.
- Produced materials in Adobe Photoshop and Illustrator while following NYS brand guidelines to maintain visual consistency.
- Organized digital asset libraries and collaborated with agency staff to develop clear, polished visual communications.

PROFESSIONAL DEVELOPMENT

Grace Hopper Celebration (GHC) Scholar *November 2025*

- Awarded full scholarship by Boeing and the Siena Computer Science Department to attend GHC, selected based on professional engagement and academic merit.
